Good morning!

You are receiving this email from me in lieu of our May newsletter. I am opting to pass on the fancy formatting so that Kristen can concentrate on getting married in less than a month! So most importantly.... Congratulations to Sean and Kristen! We wish you many happy years together and a wedding day that is all you have dreamed about!

So let's see... what "news" does MSC have to share?

1) **WORK WEEKEND!- FRIDAY, MAY 17- 19.** This is coming up fast and furious! Mark your calendars and plan a spring weekend in Vermont! PLEASE RSVP TO JUAN ROMAN AT: [northeastwines@gmail.com](mailto:northeastwines@gmail.com). The more hands we have the more fun we can have! Let's work hard and play hard. Perhaps we can have a cookout, go for a hike... who knows what we can work into our work schedule?

2) **LODGE MANAGER UPDATE:** Julie will be leaving us as our lodge manager in Mid- June. We thank her for her service to our club and wish her well. This is new information so the club does not yet have a plan in place but will certainly be working on this and will keep the club posted.

3) **AIRBNB REMINDER:** A friendly reminder to check the website and to always make a reservation before heading up to the lodge this summer. The lodge is listed on airbnb in 2 ways- one for a room rental and secondly as a full house booking. When a single room is booked members are always welcome. However if we have a full house booking, members will not be able to stay at the lodge during that time. A full house booking will never be longer than one week as it is our goal to not interfere with members using the lodge. If you find yourself at the lodge with an airbnb guest... please show them your MSC hospitality and spirit. New members are our #1 goal!

4) Although summer goes super fast- it is our hope that we may offer one or two social events this summer. Juan is looking into a golf outing and hiking and biking seem to be of interest to many. If you are willing to lead an event this summer please reach out to me. I welcome the help and enthusiasm. I will support your efforts as best I can. And of course, please read any email we send- events are only fun if you know about them and attend!

5) **DESPERATELY SEEKING A CLUB TREASURER!!!!!!** As always - please consider getting involved in our club! The Board of Directors is not meant to be a "limitless appointment" Clubs like ours thrive on new ideas and new energy. It is only when members become involved that we can grow. At this point, Jon Sisson has announced his wish to step down from his many years of service as the treasurer, yet he has been kind enough to continue until someone steps up to replace him. PLEASE CONSIDER GETTING INVOLVED AND TAKING THIS POSITION.

With hopes of seeing you soon!

Kim McLaughlin
